May 11th 2009 New Postage Rates are in effect!

This is a reminder that menus must be postmarked by the 4th of the month for the previous months' menus.

We do not have the capability to process late menus. Menus postmarked after the 4th will be considered late and may not be processed. Do not fax menus, we need original signatures.

We highly recommend that you submit your menus weekly so that if there is any problems with transportation or other issues that may come up you do not lose the entire month!

Please do not call us if you are late, we do not have the ability to process late menus. Thank you for your understanding.

Don't miss a month's reimbursement. Make sure the postage is correct.

Here are the new rates:

5-8 pages	.61
